ANNUAL REPORT, DEERFIELD,
NEW HAMPSHIRE, FOR THE
YEAR ENDING FEB. 15, 1910.

OUR Last Year's business was the largest we ever had, and we are determined to make our eyesight service so good that each succeeding year will tell the same story ∴ ∴. We thank our friends in Deerfield most heartily for their contribution to our prosperity. Much of our time is spent without expense to our patrons in keeping watch of results and putting their glasses in shape, for all glasses do need readjusting frequently. No trouble to serve you in this respect. ∴ ∴ ∴ ∴.

REPORT OF SCHOOL BOARD.

For the year ending February 15, 1910, we respectfully submit the following:

We have maintained eight schools the past year. Following the policy of past years we thought it inexpedient to support schools in Districts Nos. 6, 8 and 12. Nos. 3 and 13 we combined for the winter term, owing to the condition of the No. 13 schoolhouse. The attendance of the scholars who have been transported has been remarkably good, and we think parents should give this matter their earnest support.

The law simply requires the school board to use their judgment, free from all personal bias, to provide as nearly equal advantages to all. This we have tried to do.

From the appropriation of \$200, raised for the purpose of schoolhouse repairs, we have painted Nos. 1, 3, 4, 10 and 11, besides other necessary repairs.
